

The Library Board serves as an Advisory Board to the Council. The Board is primarily responsible for making informed recommendations regarding library services and programs and for being a citizen interface to library staff. The Library Board is comprised of seven regular members and two non-voting alternate members. In addition, the Library Board also includes two non-voting youth advisors that are appointed for one year. Youth advisors are in the seventh through eleventh grade and provide a distinct and valuable youth-focus to the Board. The Board meets the second Thursday of the month at 7 pm.
